# WINE BY THE GLASS

## CORAVIN SOMMELIER SELECTIONS

The Coravin is a wine preservation system designed to pour wine from the bottle without removing the cork, maintaining the freshness of the wine. This allows us to offer our guests wines, specially selected by our Sommeliers, that would normally only be available by the bottle.

Coravin Sommelier Selections are available in 3oz and 5oz pours.

| <u>White Wine</u>  | <u>3oz</u> | <u>5oz</u> |

Additionally, if you purchase a bottle off of our wine list, we can pour you a glass with dinner using the Coravin Wine System, then you take the remainder of the bottle home. Your bottle of wine will remain uncorked and maintain its freshness, so that you can enjoy your bottle of wine whenever you'd like!
